EXPERIENCE

- MILLWORK SALES SPECIALIST (Aug 2025–Present) · Flooring Specialist (Jun–Aug 2025) · Paint Associate & Cashier (2020–2025)**
The Home Depot

May 2020 – Present
San Antonio, TX

 - Generated \$313,715 in FY2026 sales (incl. pending closed sales) against a \$181,384 goal — +73% to goal — with \$231,927 in trailing 30-day (D30) sales; ranked #2 of 30 (top 7%) Millwork Specialists district-wide.
 - Maintained a \$92,721 open-quote pipeline across 14 active opportunities, using structured phone and email follow-up to convert interest into scheduled consultations and closed sales.
 - Completed 96 measures (101% of goal, #1 in district) and drove demand through 24 leads and 8 credit applications.
 - Prospected new and repeat business via inbound qualification, outbound phone and email outreach, and proactive follow-up, maintaining high activity and clean pipeline hygiene.
 - Guided homeowners and contractors through complex product, financing, and installation options in multi-step sales cycles, enabling confident decisions on high-consideration projects.
- FOUNDER — DIGITAL MARKETING & AI AUTOMATION CONSULTANT**
Okapi Marketing

Feb 2023 – Present
San Antonio, TX

 - Built a client portfolio from zero through targeted LinkedIn outreach, cold email, phone follow-up, and referrals, identifying pain points and selling tailored website, marketing, automation, and SaaS solutions.
 - Implemented CRM, email marketing, and payment tools matched to each client's model and budget, improving conversion and retention by an estimated 20–30% while managing timelines across multiple remote accounts.

PROJECTS

- SENIOR MORTGAGE UNDERWRITING SYSTEM — Python, LangGraph, OpenAI, ChromaDB, RAG**
 - Built a multi-agent system in which six specialized agents analyze credit, income, assets, and collateral to generate an audit-ready credit memo and final decision; achieved 100% accuracy across three real-world test cases.
- AUTONOMOUS FINANCIAL ANALYST AI AGENT — Python, LangGraph, OpenAI, ChromaDB, RAG**
 - Built an AI research agent that synthesizes financial data, news, and documents into decision-ready, source-cited reports using embeddings and vector-database retrieval over private files, cutting research time from hours to minutes.

EDUCATION & CERTIFICATIONS

- B.B.A. INFORMATION SYSTEMS, CYBERSECURITY CONCENTRATION**
The University of Texas At San Antonio

Aug 2020 – Aug 2026
San Antonio, TX
- CERTIFICATE IN AGENTIC AI — WHITING SCHOOL OF ENGINEERING (Executive & Professional Education)**
Johns Hopkins University

Jan 2026 – Jul 2026

LEADERSHIP & SERVICE

THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS — Full-Time Missionary: Completed 19 months of daily outreach and relationship-building; promoted to Trainer and mentored new missionaries.
BOY SCOUTS OF AMERICA — Eagle Scout: Earned by fewer than 4% of Scouts; demonstrates long-term commitment and follow-through on complex goals.
